

INTRODUCTION

Welcome to our November 2011 newsletter. It's been yet again a busy and exciting few weeks here and we can't wait to inform you about the latest developments here at Open a European Company.com. Below we will be diving into our newly revamped affiliate system, the launch of a brand new service and website under Close A European Company.com, the re design and launch of Immigration Into Europe (including a host of new services), some great new offers through Ready Made Companies Worldwide.com and finally some brand new podcasts/interviews for your listening pleasure.

OUR REVAMPED AFFILIATE SYSTEM

For the past month we have been working hard at developing and providing our agents and affiliates with a much improved, automated and efficient system of managing your referrals and sales. And it's about to go live! Our new system not only automatically assigns you your very own referral links and marketing assets (such as banners and images), it also handles automatic payment of any sales generated through you. As well as your very own control panel. Interested in becoming an affiliate/agent? Do you feel our services could benefit your clients or customers? [Click here](#) for more information.
